

## SS BRACELET FOR MODELLO UNO

Ref. UBK 18

**UNIMATIC**  
UNIQUE EDITION WATCHES

Features solid end-links, providing a perfect match to the U1 case and the new Unimatic solid folding clasp with micro-adjustable diver extension, that allow a precise fit up to extra 15mm in 2.5mm increments. It comes with the Unimatic travel pouch that can hold up to two watches, together with a portable spring-bar tool.

Suggested upgrade for all the Modello Uno family.
